

EXPLANATIONS

Case # 90-653358 – This was an officer involved shooting in August of 2009. The officer came upon a Robbery in progress. Two men were robbing one victim. One of the offenders fired at the officer and the officer returned fire killing the victim. Tx DPS and the FBI were contacted for clarification on scoring this death. FBI's ruling is that this death would not be counted on the UCR report. The SA Homicide Unit still retains this as a Murder which explains the difference between the UCR homicide count and the Homicide Unit's count.
